

A photograph of two women sitting in front of a large, abstract painting. The woman on the left has long brown hair and is wearing a dark, textured sweater. The woman on the right has blonde curly hair and is wearing a grey leather jacket over a white top. Both are smiling warmly at the camera. The background is a large abstract painting with white, grey, and orange tones.

OFFERING PROMISES

EXAMPLES FROM CARISSA'S LIBERATED LAUNCH OFFERING

- Become a magnet for the souls who are here to journey with you and your offering.
- Become aligned and anchored in the highest timeline available to you and the circulation of your offering to create lasting impact with your clients.
- Become the frequency matchpoint for all that you and your offering desire to create and manifest including the soul-mate clients, the lasting change and legacy.
- Activate and integrate your 'inner union' template so you can flow easily between the masculine and feminine aspects of the creation, birthing and execution of your offering and delivering it out into the world successfully.
- Co-create with your offering and truly bring it to life so it can show you what's available to be attuned in your own field and anchor you into the highest expression and outcomes available.
- Learn what it really means to share an offering with the world from 5th dimensional consciousness where you're co-creating and sharing from a place of creation and expression rather than only focusing on 3D results.
- Liberate yourself from the boxes, restrictions and shackles of what it means to birth your offering out into the world and find your own unique way that highlights and amplifies your skills and magic to call in those who are here to co-create with you and your offering.

PRICING EXERCISE

FEATURES - List your features and price them individually, tally them up and get your total price. Be sure to include business overheads if needed.

HIGHER SELF - Tune into your higher self and feel into what price feels aligned. Write it down here.

Q. Are the two above prices a match?

If not, allow yourself to find a middle ground that feels good for you.

EMBODY IT - Practice saying it out loud as if you were talking to a potential client and notice how it feels in your body. Keep practicing until it feels 100% aligned in your body.

If you can feel it's not a match, find a price that is and go it from there.
